Expected Standards for Parents & Spectators — Glen Villa Juniors FC

Season: 2025/26
Issued by: Glen Villa Juniors FC
Version: 1.0

1. Introduction

Parents, guardians, and spectators play a vital role in creating a positive environment for young players. The way we behave on the touchline has a direct impact on children's enjoyment of the game.

Glen Villa Juniors FC asks all parents and spectators to read and adhere to this Code of Conduct at all club events.

2. On the Touchline

As a parent or spectator at Glen Villa Juniors FC, I will:

- Celebrate effort and good play from all players, not just my child.
- Respect the referee and their decisions at all times.
- Never shout abuse, criticism, or negative comments at players, coaches, or officials.
- Not use foul, offensive, or discriminatory language under any circumstances.
- Remain behind the designated spectator area and not enter the field of play.
- Not interfere with the coaching of any team during matches or training.
- Never engage in or encourage aggressive or confrontational behaviour.

3. Supporting Your Child

When supporting your child, please:

- Encourage them to enjoy the game and do their best.
- Focus on effort and development, not just results.
- Allow the coaches to coach — your child will benefit most from consistent messages.
- Listen to and respect the decisions made by club coaches.
- Discuss any concerns with your child's coach calmly and privately, not on the touchline.

4. Photography & Filming

Photography and filming of children at club events must be carried out responsibly:

- Only photograph or film your own child unless you have explicit permission from other parents.
- Do not post images of other people's children on social media without consent.
- Do not use photography or filming equipment in changing room areas.

If you would like to photograph or film a club event, please speak to a club official first.

5. Raising Concerns

If you have a concern about anything at the club, please:

- Speak to your child's coach after training or a match, not during.
- For serious concerns, contact the Club Secretary or Chair directly.
- Safeguarding concerns should be reported to the Club Welfare Officer immediately.

We welcome constructive feedback and will always respond to concerns in a fair and timely manner.

6. Consequences

The club reserves the right to ask any parent or spectator who breaches this Code of Conduct to leave the premises. Repeated or serious breaches may result in a ban from club events.

We want every matchday to be a positive experience for all involved — thank you for your support.
